

INTERNSHIP OFFER LETTER

ID:486601-5003

Muhammad Talah Khan

Internship Duration : 1 Month

Starting From : 04/03/2025

We are thrilled to welcome you aboard for the **Cyber Security** virtual internship within our fellowship at Virtual Vigilantes. Over the next month, you will embark on a journey of discovery and hands-on learning.

Here at Virtual Vigilantes, internships are more than just tasks; they are transformative experiences crafted for students like you to acquire and polish valuable skills. Throughout this internship, you'll be applying theoretical knowledge to real-world scenarios, providing you with a unique opportunity to explore a diverse range of possibilities that will not only showcase your talents but also elevate them.

By accepting this offer, you're committing to embracing your assigned tasks with diligence and ensuring excellence in every aspect of your work. We have every confidence that your time with us will be enriching, providing you with the expertise and insights needed to excel in your future endeavors.

As you become an integral part of our team, get ready to join us on a rewarding journey where your contributions will make a lasting impact. We are excited to have you on board, and we can't wait to see the incredible strides you'll make during your time with Virtual Vigilantes.

Warm regards,

Virtual Vigilantes
